HOLDINGS
PERFECTION IN MOTION

SIYACUBEKA
TRANSPORT

ABOUT US

EMT Holdings is a local logistics company, providing bulk transportation services of maize, coal, chrome, fertilizer, lime, food products etc. across the Country and neighboring Countries including Zimbabwe, Botswana, and Zambia.

We operate a fleet of 36 vehicles, which consist of tautliners and tippers, and will expand to accommodate the growing needs of the business.

We have built a reputation of reliability in the transport of goods due to our professional approach, dependability and reliability.

OUR MISSION

We know that our business will succeed if we focus on driving unity towards our shared vision. This we will achieve through the appointment of the right people, the development of our people and the sound leading of the team. Through proper planning and execution, we will use our limited time wisely to achieve a better life for all.

OUR VISION

We are a client focused, efficiently managed, solution driven logistics provider, servicing the continent of Africa.

OUR VALUES

- Integrity
- Passion
- Compassion
- Accountability
- Excellence

OUR TEAM

EMT Transport is a family owned business with more than a decade of experience in logistics.

Coupled with our innovative management team, we are driven to grow the business and provide the best possible service to our existing, as well as new clients.
